B. Skimming

Exercise 3

1. Is this a good book for an 11-year-old girl? Why or why not?

   Answer : Not good for an 11 year old girl, because this book is a bit heavy to read for his age, tells about assimilation, a big dream and a love story.

2. Does this seem like a good book for vacation reading? Why or why not?

Answer : Yes, for a journey that takes a long time I think this book is good to read because it.

3. Is this a good book to read if you are interested in romance? Why or why not?
   Answer : Good, because reading this book gives you a calm and focused state
4. Did the reviewer think this was a good book? How can you tell?
   Answer: Yes, this book had all the elements I seem to desire in books lately: it's equal parts character and plot, the language is beautiful but doesn't weight the book down, and I felt like I got insight into a world I would never have seen otherwise.

Exercise 4

1. Is this a good book for a friend with two young children who love animals? Why or why not?

   Answer : Good, because this book teaches us how to interact well with animals.

2. Is this a good book for someone who wants to know about farm animals? Why or why not?

   Answer : Not good, because this book specifically tells about the animals in the zoo

3. Does the author of this book like zoos? Why or why not?

   Answer : Yes, the author like zoos
4. Does this sound like a book you would like to read? Why or why not?
   Answer : Yes, because I am very interested in knowledge about animals

Exercise 5

A. Read the questions and then skim the news story for the answers. Work as quickly as you can. (Not more than two minutes for the skimming!) Compare your answers with another student

1. What has happened to the three children from South Carver?

Answer : They are lost

2. What do the people in South Carver think about the situation?

   Answer: They are very worried

3. What do you think will happen to them?

   Answer: maybe they will be anxious and scared

B. Now you will skim another news story on the same subject. Read the questions and then skim the news story for the answers. Work as quickly as you can. (Not more than two minutes for the skimming!) Compare your answers with another student.
